

## 2013 MERLOT

A beautiful deep ruby red color with an enticing aroma profile that is wide open and exciting. Layers of ripe Merlot plum-like fruit with almost sweet aromas of toast, French Oak, caramel corn, and cardamom spice. Broad, silky, and mouth coating this is one of our best Merlots to date. It has soft balance but still lively with a long flavor profile. Tannins are refined and easy on the palate. This is a delicious Merlot immensely enjoyable upon release but will prove to be age worthy as well.
