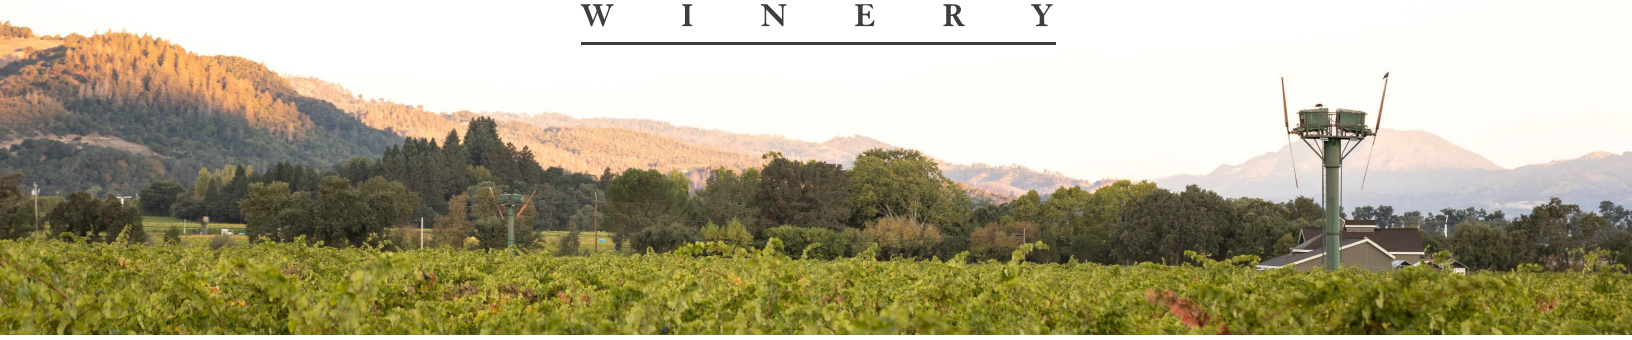
PARADIGM
WINERY



- 2025 -
ROSÉ OF MERLOT

TASTING NOTES

The 2025 Rosé retains its classic salmon-pink hue in the glass and burst open with fresh aromas of honeydew, young strawberries, kumquat and citrus zest. Creamy alpine strawberry and rose petal capture the palate. The finish is seamless and refreshing.

2025 VINTAGE NOTES

Described as a "return to the classics," the 2025 growing season evokes the old character of Napa. A notably cooler growing season with ample winter rainfall led to gentle and even ripening that emphasized balance and finesse.

Phenolic ripening outpaced brix development, providing the opportunity to harvest at optimal maturity with lower potential alcohol with balanced acidity. These subtle growing conditions led to an enhanced expression of terroir and nuance in the wines.
